~~SECRET~~

f. If subject is a double agent, or functions as a penetration into any other intelligence service, attach complete detailed description of subject's relations with members of the other service. If necessary fill out another CDF II to cover subject's activities in the other service.

26. Personal Habits (Liquor, drugs, gambling, mistresses or lovers, etc.)

Drinks very little, does not gamble. Occasionally goes out with women. However Subject does not presently have any steady girl friend or mistress.

27. Special abilities or talent conceivably of value in future operations.

It is easy for Subject to make friends with other people as he has a pleasing personality.

28. With what foreign power, exiled group or political party does subject now collaborate because of ideology, obligations, blackmail controls, etc.?

Unknown. However it is believed by this Agent that Subject has no ties with any of the above.

29. With what foreign power, exiled group or political party is subject likely to collaborate in the future? Why?

None

30. Personal assessment (Give a brief statement answering the following and other relevant questions)

Is subject security conscious in his personal conversation and day-to-day activity? Is he expansive or reticent in conversation? Does he have romantic ideas about espionage or any tendency to brag? Is he physically courageous? Into what kinds of groups of people does subject most easily fit?

It is believed that Subject is presently security conscious. However this Agent had to call Subject down once because Subject told another Agent that he was working for this Agent.

It is believed that Subject would be considered expansive in his conversations with this agent and never holds back any information.

It is believed that Subject had romantic ideas about espionage at first. However through the guidance and security talks by this Agent it is believed that Subject has lost all of these undesired ideas.

Subject's physical courage is unknown since this Agent has had no particular occasion to observe Subject's physical courageness.

It is believed that Subject would more easily fit in with the military or former military groups.

31. What is subject's social standing? (Aristocracy, upper middle class, lower middle class, peasantry, etc?) Upper middle class

32. What does subject know or believe concerning the dissemination of his information after he submits it?

Since Subject knows that I am an American CIC Agent it is reasonable to assume that he knows that the information he submits is being given to American Intelligence.

SECRET

33. Give a description and assessment of the control which now exists over subject? How can this control be increased? What additional control measures could be developed?

Subject's expenditures are controlled by use of receipts. A certain amount of psychological control is exercised due to the fact that Subject is employed by another American agency as an interpreter and fears losing his job, should he

34. ~~What commitments have been made to subject regarding future treatment, pay, medical care, assistance in event of compromise, evacuation, etc?~~
do anything wrong.

None

35. How was personal and operational information obtained on subject? (If answers to questions of this CDF were obtained from diverse sources, indicate source in margin by each question)

Personal information was obtained from various conversations with Subject.

Operational information was obtained through observation of Subject and various conversations with Subject.

36. With what agencies and files have subject's identity, background and intelligence function been checked? When? Result? What other means have been used to verify personal and operational information furnished by subject?

CIC, CID, Military Government, Court records, Austrian Criminal and Political Police files, background check, personal interview, and observation of Subject.

This has been done on numerous occasions and the results have always been favorable.
